Our forefather conquered this territory, by clearing the land and using the green timbers to build their homes and furniture. They had many things to confront them besides clearing the land, such as wild animals, Indians, and weather. On Dec. 7, 1824 Hopewell Township was established. Loudon came to being on March 5, 1832.

When this book is finished all students will have conquered another year. Which means the class of "87" has conquered 13 years and will start a new frontier. Some will go into higher technology others may join the work force or chose to serve our country. No matter what they chose it will be another frontier to conquer.

The following sketch was written by Charles W. Fostor from whom Fostoria received its name. He was born on Nov. 21, 1800 in Brookfield, Massachusetts. He came to Seneca County in 1826.

> It is not only a remarkable fact that here in America the best men are the self-made men, but the fact seems to be the result of our peculiar form of government and the fruit of her free institutions. It requires no hereditary title here to become distinguished among men. A goodly share of common sense, good health, proper deportment, industry, energy, integrity, all well combined and backed by a reasonable quantity of will power, have enabled thousands of men in all avenues of human life to outstrip their fellows and reach the goal of both fame and fortune. Our beautiful school system and our higher institutions of learning are truly the pride of our state.
>
> The subject of this sketch belongs to that class of men who, when they know that their plans are right, depend upon perseverance for success.

So Seniors follow the thoughts of Charles Fostor, for Hopewell-Loudon offered you the best in education and you too can conquer whatever you desire.

In compiling these pages it was found that many of our old schools have been torn down. The ones that are known are marked on the maps. When Hopewell-Loudon was built there were nine schools in Loudon Township and ten schools in Hopewell Township serving our students in grades one through eight.

In 1832, Joe Ogle helped build the first school in Hopewell Township, on the southeast corner of the school section. Mr. Chenowith was the first teacher.

The Fostoria Academy building was begun in the fall of 1879, by the United Brethern in Christ. Until that time all education was furnished by the Union School, located on High Street and the Catholic School. The Union School employed twelve instructors with salaries from $300.00 to $600.00 a year.

Mandy was planning on getting married. Due to tradition, the eldest had to be hitched first. Paw and Maw knew that it would be tough to find a husband for Snoddy, so they started looking. Bill and his mother, proper and wealthy, had to spend the night because their car broke down. Snoddy liked Bill and Paw was going to see to it that she got married off first. Prissy Lou and Mrs. Vandemere tried to stop the wedding, so Paw locked them in the pigpen. Zeke was the one that loved Snoddy and came foreward to take Bill's place. She'd even have a place for her pig, Herbert. Prissy Lou went to New York with Bill and his mother, to study, and all were happy.

THE GAME

It was a very special game. There was no pep rally preceeding it because of the memorial sevice for Mr. Zurlo. The players were ready for the fight and they prevailed over Seneca East, 30-14. The Chieftains scored first, but the Tigers led at halftime, 8-7. The Marching Band ended their show playing "Script Ohio" with Senior Lorne Roby dotting the "i". Then the S.E. band joined the H-L band in "America the Beautiful": their tribute to Mr. Zurlo. The teams returned to play and the chieftains led from then on, regaining it in the 3rd, 15-8. After the win, the band did a victory march, and then knelt facing the half-mast American flag. It was a very emotional game for everyone; an event that will linger in our minds forever.

Friday night Oct. 17, 1986, three nervous seniors awaited the presentation of the crown. The air was extremely cold and everyone brought blankets to keep warm during this year's festivities. After the procession of convertables, each couple waited at the visitors' sidelines until it was their turn to walk across the field. After each couple was introduced, the queen was anounced. Last year's queen, Cherie Nickel, gave the crown to Debbie Braciak, and all smiled for pictures before leaving the field. Group pictures were then taken while the teams started the first half. At the end, the Chieftains beat the Seneca East Tigers, 30-14.

THE DANCE

The last event, to close out the '86 Homecoming festivities, was the dance. It was held on Saturday, October 18, at 8pm. The Student Council sponsored and decorated the cafeteria for the occasion. They also provided refreshments throughout the evening. The purpose was to honor the new queen and her court, so there was a dance reserved for them after they were introduced to the crowd. A photographer was on hand for the couples who wanted to remember the night with pictures. Todd Bishop spun the records; he is an H-L Alumnus, among others who were there. Most everyone who attended the dance had a good time. It was an enjoyable evening.

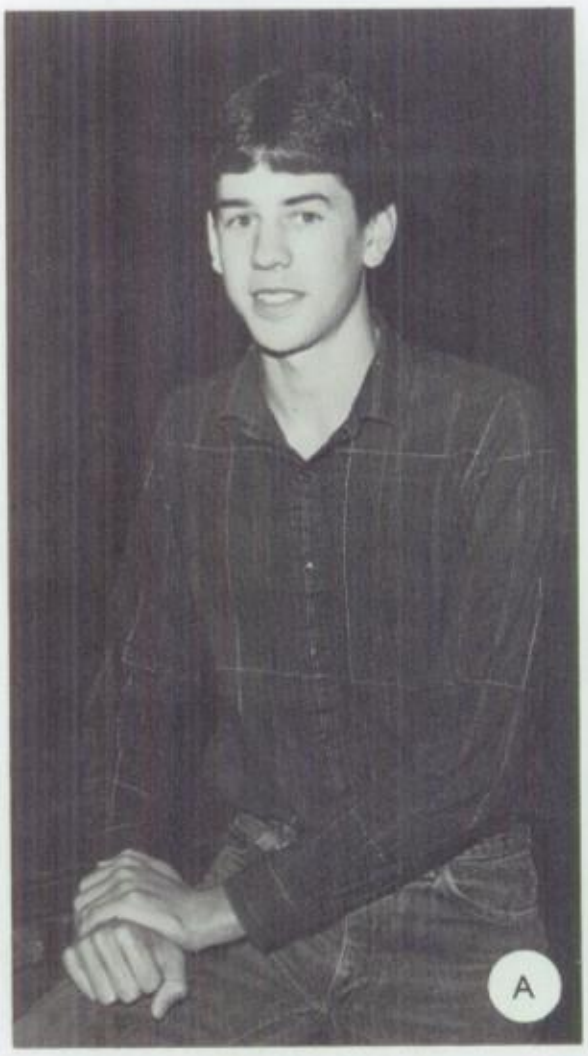
ACADEMICS

English

Our native language is English, but many other languages are necessary in the world of today. So a good background of English helps in grasping and speaking other languages.

Here at H-L a good student receives this knowledge which makes them better students and more prepared for college. Thanks to the English Department students have this opportunity.

There are many activities in this department such as spelling bees and essay contests. In one essay contest H-L had 8 out of the 16 winners.



A) Kirt Thallman was the winner of the Hugh O'Brien Essay Contest.
B) Review Times Essay Winners; Front-J. Livesay (9th), K. King (10th). Middle-D. Se delbach (11th), A. Kuhn (11th), T. Thallman (11th). Back-T. Ley (12th), S. Bish (12th). Abs. J. Hoover (12th).

C) Kim Walker was 1st place essay winner from the Literary Guild of Fostoria.
D) Mrs. Crandall and Sarah Mowery. Sarah was the Regional Champion in the Toledo Blade Spelling Bee. She advanced to the State Competition where she finished 12th.
E) Jennifer Long was the Seneca County 7th grade Spelling Champion.
F) Showing off her earrings.
G) Mr. Herge hard at work.

Mathematics

Hard at work! Or are they?

Here at Hopewell-Loudon we have a very fine math. Department. Math is important all through life and very useful. Students can participate in many contests throughout the year. In the GTCTM, a preliminary test is taken in the classroom. Then, the best student in each course goes on to take the actual test at a local college. In the AHSME, Algebra II, Math IV and Math V students take the test, then the top 3 scores in the school become a team and their scores compete against others in the state. They always do very well.

AHSME Team: David Coleman, Natalie Kuhn, and Kathi King.

The science department had a very exciting year in 1986-87. First of all, the local Science Fair was held March 9, with seven people receiving perfect scores of 40. Ten went on to the District Science Fair at Heidelberg College. Kirt Thallman and Brad Wagner received superiors and were invited back for a second level judging. They both did a superior job at that Scholarship Day Competition. Brad also took his project to the University of Toledo at another competition and received the U.S. Marine Corps Award for an outstanding project in the field of Chemistry.

The Chemistry Bowl Team advanced from the first round, but were defeated in the second round by an extremely, tough team from Upper Scioto in their competition.

Typical Romans, of Course!

History is made up of interesting events, and this year had quite a few. First of all, students were chosen to participate in the reinactment of the Constitutional Convention in which our U.S. Constitution was written. In pairs, they represented selected states, and with other area High School Students, wrote a constitution.

The Social Science Bowl Team did an excellent job.

Finally, six students (a boy and a girl from each grade) were invited to the American Legion Post in New Riegel to read their winning essays, that were part of the Americanism and Government test they took.

Natalie Kuhn participated in a workshop on Central America.

In the past we have had many foreign exchange students for only a couple of months at a time. This year Hopewell-Loudon was lucky enough to have Christoph Eggert from August 6, 1986 until July 11, 1987. Chris was eager to try new things, he was a member of the choir, marching band, golf, track and other things. Thank-you Chris for bringing your smilling face and company to H-L.

Christoph lives in Flecheley, W. Germany and attends Flecheley High School in Schleswig, where he has three more years. He lived with the Wagner family, Ralph, Jackie, Brad, and Stephanie, and came to the U.S. through the exchange organization, "Youth for Understanding".

We'll Miss You Chris!

Foreign Language

The Foreign Language Club consists of all students who take a course in either French or Spanish. They sold candybars in order to raise enough money to sponsor the First Annual Mardi Gras. The theme of Mardi Gras was "Aloha Hawaii" so everyone dressed up in Hawaiian clothes. The Travelling Ensemble performed after the potluck dinner. A dance followed and all who went had a good time. The students also competed at the University of Toledo. Different areas of competition included: poetry and prose, folk singing, skits and poster/art contests.

Mrs. Rouser has a big job but does it very well. The work load she handles would make most people insane. She teaches both typing I and II, shorthand, accounting, and invitation to business. Courses like these are the bases of advanced training in college or technical schools and future jobs in the business world. Much of the program printing, certificate typing, and many other unknown tasks are handled by Mrs. Rouser. She also has the responsibility of the typing, mimeographing, and mailing of the monthly school newsletter to the school district's 1,300 residences. The accounting team, also under her supervision, did quite well in various competitions.

S.A.D.D. is an organization made up of students who are concerned about drinking and driving. The organization is against drinking when it is endangering lives.

Meetings are held every month, during which plans for future activities are discussed. SADD representatives speak at other meetings and school assemblies. They pass out contracts for Life at each of these. The group also sponsors a float in the Bascom Memorial Day Parade.

Probably the biggest event for the SADD organization is Operation Prom/Graduation. SADD tries to encourage fellow students to be extremely careful during both Prom and Graduation times. A State Highway Patrolman comes to show slides or a film to the entire student body, and speaks about the dangers of drinking and driving.

The Home Economics Department at Hopewell-Loudon is one department the has great strength. Under the guidance of Mrs. Pat Smith and Miss Barb Urban the Home Economic Classes have many challenges to face and conquer. Some of the challenges the students have faced during the past year included the Life Skills Class that use their sewing skills to construct a garment, the Dining for Pleasure class restaurant, and the senior class playschool. All of these required organization and long hours of preparation, which in turn led to a successful outcome of all three.

Phyical Education and good health are the basics of all sports and sportsmenship. In the midst of all the basics and some of the sports one will find Mrs. Roby and Mr. Mays. They are doing an outstanding job or there would not be as many students involved in sports. Good exercise and the proper nutritions gives us better sports, better students, and better citizens.

FHA

As usual this year's Hopewell-Loudon FHA Chapter made great accomplishments under directions of Mrs. Smith, and Miss Urban. They sponsered week-long workshops for the student body. The theme for this February week was "Building America's Future . . . Preparation is the Key." Authorities from the areas on drug and alcohol abuse, runaways, child abuse, self-defense, handicapped, and birth defects, teenagers and the law, and job seeking, spoke to the students during their study halls.

Susie Reinhart and Kelly Foos attended a weekend leadership training conference at the Knoxville Convention Exhibition Center in Knoxville, Tenn. Kelly was also elected District Treasurer.

The chapter received a fifth on their float in the Tiffin Developmental Center Halloween Parade and in the Tiffin Jaycees Parade received a second.

Brenda Agerter, Tammy Schalk, Betsy Hunker, and Leanna Posey were invited to participate in state compition due to their high scores at regionals. At state Betsy, Tammy, and Leanna took firsts and Brenda took a third place.

Honor

A Salute to Mr. Zurlo.

C) Mindy shows our sorrow in her eyes.

D) Seneca East and H-L Bands join in playing "America the Beautiful" in honor of Mr. Zurlo.
E) Leaders together, to honor a great leader of students.

Mr. Frank Zurlo was born in Akron, New York on April 27, 1921. He was president of the high school band, and played basketball for three years at Akron High School, from which he graduated in 1939.

After serving in the United States Navy, Mr. Zurlo attended Bowling Green University. While at B.G. he participated in the concert and marching bands. Graduating from B.G. in 1949 with a B.S. degree in Music Education.

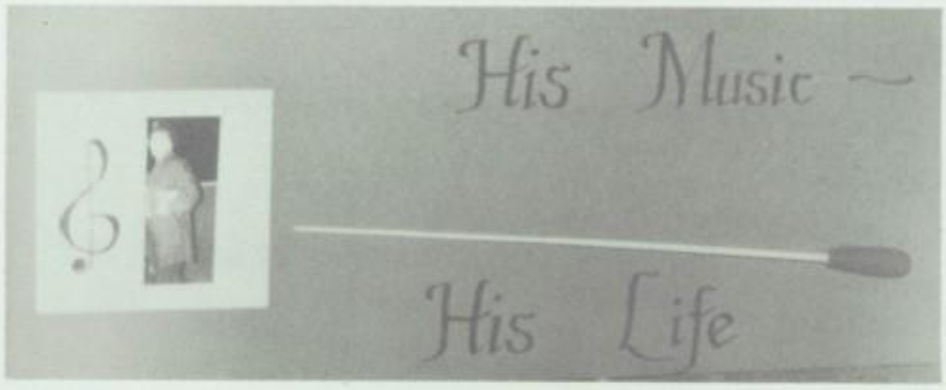
Mr. Zurlo taught at Anthony Wayne H.S. McClure H.S., and Napolean H.S., before coming to H-L in 1972. During his teaching career, his bands received 27 Superior Ratings at state contests.

He was recognized by Ohio Music Education Association as an outstanding instrumental music teacher and was given the opportunity to judge bands at contests across the state.

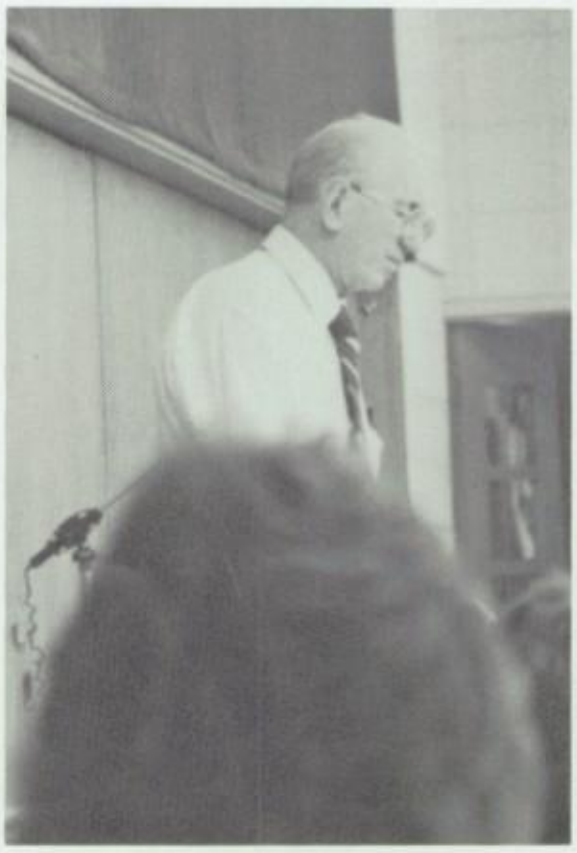
Mr. Zurlo molded our band to perfection and was a great influence on all band member who had the privilege of being direct ed by him.

Mr. Zurlo is viewed as being a con quering hero. He sometimes amaze people with his tolerance for some o the band's antics.

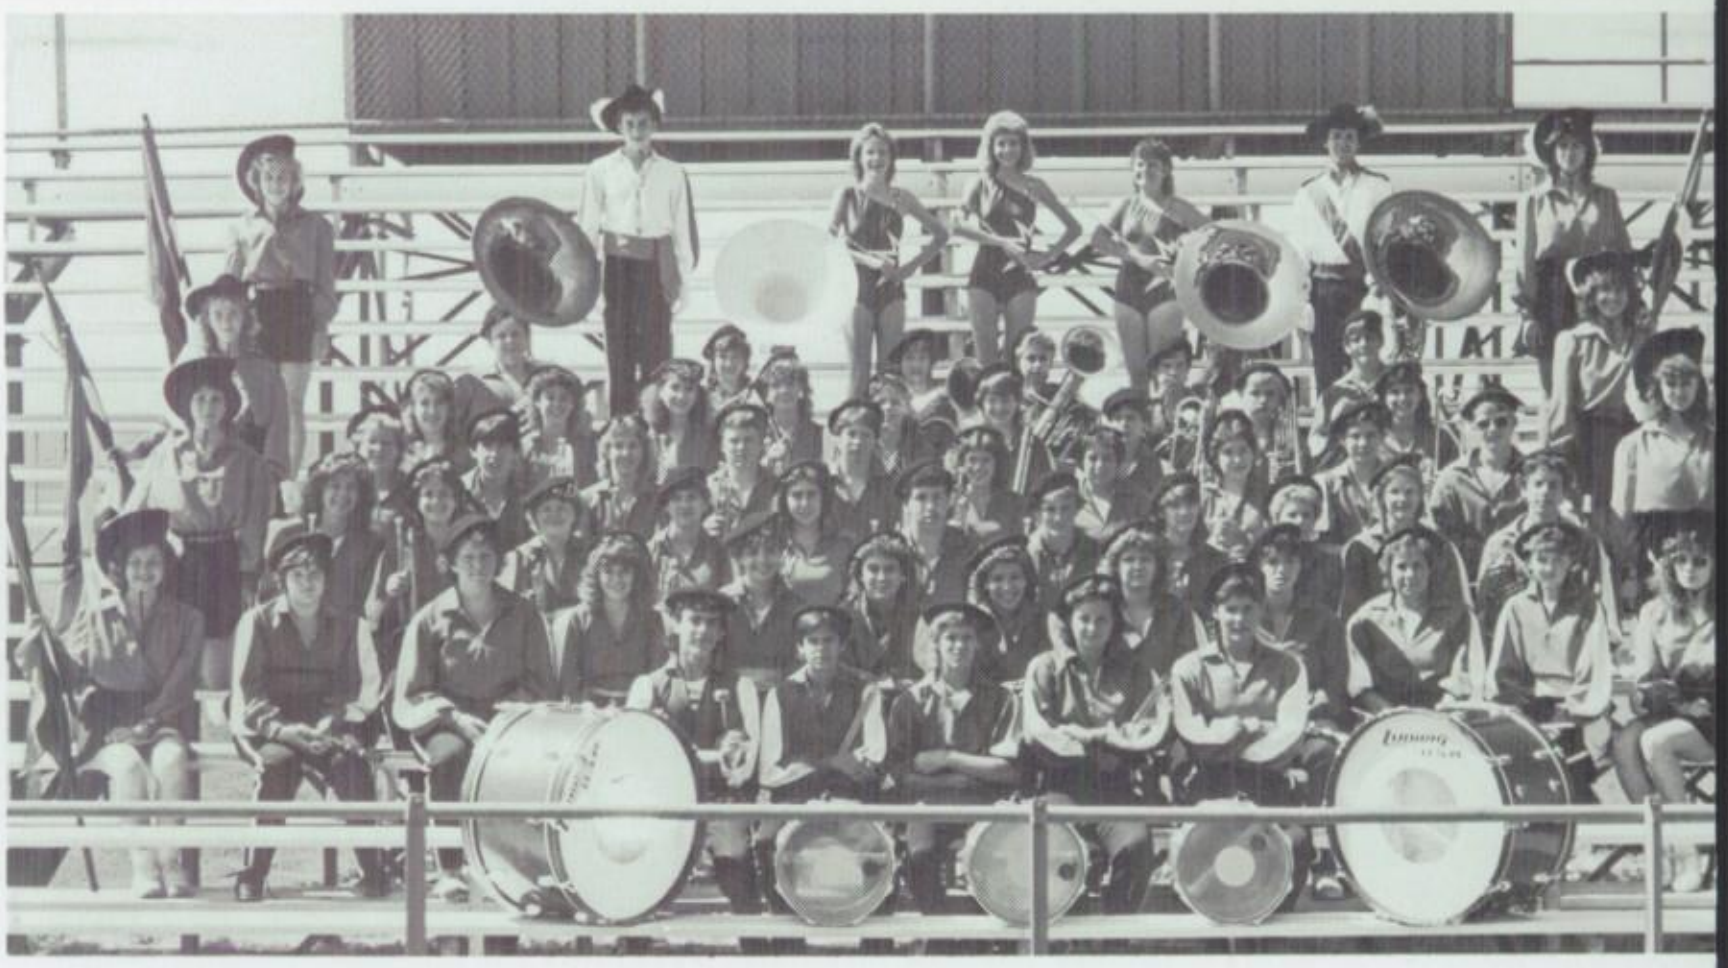
Although Mr. Zurlo is no longer wit us, he is alive in our hearts, in this boo and in our memories.



Because of his dedication to his career, the yearbook staff, is dedicating this volume to him. All of his students were special to him. He did not see them as teenagers, but as companions. All his summers were spent teaching beginners the basic of instrumental music, when he could have been on the golf course with his buddies. He was a bachelor yet "married" to his music. When one was down, he told how he frightened people by playing ghostly melodies, on his clarinet, while hiding in the cemetery. This always brought a smile. With tears, we shall continue to remember Mr. Zurlo for the truly remarkable man he was.



Band



The 1986-87 Hopewell-Loudon Marching Band.

The 1986-87 Marching Band did a fine job this past year. They marched for the Bascom Parade, at Cedar Point, and placed 3rd in the competition at the Firemen's Convention Parade. They also marched in the Bascom Halloween Festivities and the Christmas Parade in Fostoria. Before the homecoming show the band lost their leader - Mr. Zurlo - but continued to perform the remainder of the half-time shows wearing red armbands in his honor. They performed at Mr. Zurlo's memorial service also.

The H-L Pep Band is made up entirely of volumteers. They played for all of the boys' home basketb games and for some of the girls' games. The pep band al traveled to Findlay College to perform during one of their mer basketball games.

Although they had a new director, the Concert Band kept u a tradition by receiving a I at District Contest and going on compete at the State level. Their performance in Le Festival Musique in Quebec received a II rating.

Many students throughout the year participated in spec bands. These included the Akron all-Ohio Band, District Festiv Band, and the All-Ohio Honors Band at BGSU. Deb Braciak (tron bone), Laura Brickner (trumpet), Tonya Butler, Jana Fruth, Joc Hoover (percussion), and Mindy Myers were chosen for the Ho ors Band at Ohio Northern University. Tonya Butler (oboe), Ro Cobb (tuba), and Sara Frankart (French Horn) were chosen participate in the Ohio State Fair Band during the summer.

High School Choir

This was quite a big year for the music department. The band and choir worked hard to raise the $45000 they needed for their trip. With support from the community they went to Quebec, Canada to compete in the International Festival de Musique. With hard work and determination the choir received a I and "Best in Class". Although that was the highlight of the year, they also received a I at District contest and performed at the Seneca County Fall Chorus Festival.

There are individuals that belong to the choir that performed separate from the choir. Congratulations to those winners.

You look at your watch, it's getting close to showtime, there's a hum from the rest of the group wishing each other good luck or telling them to break a leg. Finally the music starts, it's time for another show. Your goal: to entertain people and make them smile.

This years Traveling Ensemble performed at many places, Ohio Northern Swing Choir Contest, Portside, International Festival De Music in Quebec, St. John's Church, Heidelberg College, Seneca County Fair, Fostoria Home Show, Pioneer Mill, H-L Halloween Carnival, and for many other groups and orginizations.

All this happens after the hard work the singers and dancers, director, choreographers, accompanists, and drummer put in practicing.

Great play Diane, this is what it tak to win.

The Varsity and Reserve Volleyball teams blazed through their '87 season with awesome pride and teamwork. The Lady chieftains were led by senior Joan Hoover, best defensive player, Diane Swander, top setter and spiker, and Janet Schreiner top server.

These Ladies were a close knit team who had no conflicts. Their keys to success were their great respect for each other and their Coach Dave Reinhart. The Lady Chieftains were M.A.L. Champs. They also won the Old Fort Invitational at Old Fort. They went on undefeated until Regionals in which they lost to Antwerp.

The Reserve Team also did an excellent job this season. Their teamwork was outstanding under the instruction of Coach Karen Roby. Finishing their season, 19-0.

Seniors Janet Schreiner, Joan Hoover, Diane Swander, Debbie Braciak, Carla Benner and Cindy Schalk (manager) will be greatly missed next year.

Girls' Cross Country "THE RA

The 1986 Girls' Cross Country Team had a spectacular season! They started practicing in the summer and continued working hard throughtout the season. The practice paid off. Their record was 8-2 for the season and 7-2 in the MAL. The Team did great at various invitational meets throughtout the season. By placing 2nd at districts, thus qualifing them for a trip to regionals. Where they finished 3rd just missing the cut of 2 for a trip to *state*. In the Class A Polls, these Lady Chieftains were ranked as high as 6th then in the final poll finished 10th, for the second year in a row! These super girls receive a big *congratulation*. We wish them luck next year.

The H-L Boys' Cross Country team had a great season in 1986. With a 10-1 record in the MAL, they had an over-all record of 11-6. Senior Kevin Sendelbach broke an H-L record, for the second year in a row. His new record stands at 16:35, breaking the 16:41 he set a year ago. All of the boys worked hard to gain some fourth- and fifth-place finishes (invitationals) against some very tough teams. They all put their talents together to give the team the second place honor in the MAL. The Chieftains will lose two four year lettermen, Sendelbach and Larry Steinmetz. Four varsity runners will remain and continue the winning tradition next year.

The H-L Football team had a very prosperous season in 1986. With the help of a superior coaching staff, they ended it with a 7-3 record. The Chieftains started the season undefeated with wins over Arcadia, Lakota, Elmwood, and St. Wendelin, all in a row. The victory of St. Wendelin was only the second in H-L football history. The cheerleaders successfully ignited spirit in the crowds and added enthusiasm to each game. Both the Red and Gray JV teams did well also. These fine people practiced hard and long, and deserve every victory and honor they received. Though next year the team will lose 12 excellent seniors and a terrific coach, many of them will return to play tough. We wish them luck next season.

Villes Des Québec

Preparing to leave.

Jason and Jackie decided to sleep on the way.

On March 27, the H-L High School Band and Choir left for Québec City, Canada. Due to a flat bus tire, their departure was delayed an hour. At Niagara Falls, on the Candian side, everyone went up in the Minolta Tower and took a "bird's eye' view of the falls. After dinner they left the Niagara Falls area, rode all night long and reached Québec in the morning. After unloading the buses and getting settled in their hotel rooms, the students had both a band and choir practice in the hotel's discotheque. The students then spent the day however they wished some shopping downtown others resting in the park. On Saturday, they all took a bus tour of the city, stopping at various points of interest along the way including the Parliament Building and the Notre Dame Cathedral. On Sunday both the band and choir competed at Le Grand Théatre in Québec. Monday morning the choir and band attended clinics with a couple of the judges from the competition, learning how to improve their sound. That evening the awards ceremony was held in a dining room at the hotel. Choir president, Natalie Kuhn, accepted their award for receiving a superior. Band president, Joan Hoover, accepted the band's award for an excellent. both the band and choir received "Best in Class" awards. After the awards ceremony the H-L Traveling Ensemble performed, as did other swing choirs and a jazz band from other schools. Tuesday morning the students loaded the buses and left Québec City, headed for Montréal. Once they arrived in Montréal, they were allowed to shop for souvenirs in an underground mall. They then took a bus tour of the city, during which they saw the site where the 1976 Summer Olympics were held. After the tour, the buses left Montréal on their way to Bascom. That night, everyone slept on the buses and the next afternoon, April 1, returned to the school.

Goodbye

Another year has come to an end, and again we say goodbyes to friends. Some will be back next year, others will try for bigger and better accomplishments. The 1987 graduating class has 65% planning to farther their education. They are great people and we wish them lots of luck.

Not just the class of '87 left, but some of our faculty will not be back. Mrs. Buchanan and Mrs. Gamble have retired from the Elementary Department. Mrs. Gibson took a job at Lima, Mr. Smathers will be at Bowling Green and Mr. Mays resigned from football coaching.

Time is going quickly, but do not become confused like Mr. Fries, he is looking at the world up-side-down. Is it better that way?
